Once upon a time, in the Kingdom of Cabrini, not a very long time ago, there came to be a creature named "Ticker." Ticker was very eager to explore the exciting life at Cabrini. Share with him in his eagerness by following his footsteps through the pages.

Ticker Gets a Taste of Academic Life

"Pick up your pens! Open your books and begin!" Ticker now realizes that homework is a part of life at Cabrini High. Without homework it just wouldn't be school.

Ticker is learning the old tricks fast as he advances through Theology, World History, Algebra, Trig., and Biology. At the rate he's going, he might even make the Honor Roll.

Attitudes are somewhat contagious around here; when asked to name his favorite subject, Ticker replied, "History is okay, but I prefer Lunch!"

Lights! Camera! Action! The '77 Clareon is about to be born as the curtains open with presentations by famous people such as Father Nature, The Big '77 Clareon, The Bird, Dancing Girls and many others. Because of his fantastic enthusiasm, Ticker is made an honorary member of the Clareon Staff.

And now let the show begin . . .

Homecoming 1976 — The Big Event

With the Oriental Theme, this Bonsai centerpiece sets the tone for Homecoming.

Homecoming, one of the biggest events at Cabrini, took its grand place on the calendar on October 22, 1976. The gym was temporarily transformed into an Oriental garden. The couples, in beautiful attire, danced the night away.

The Queen, Michele Andrysiak, reigned over the event and in the Homecoming Parade and Game which followed.

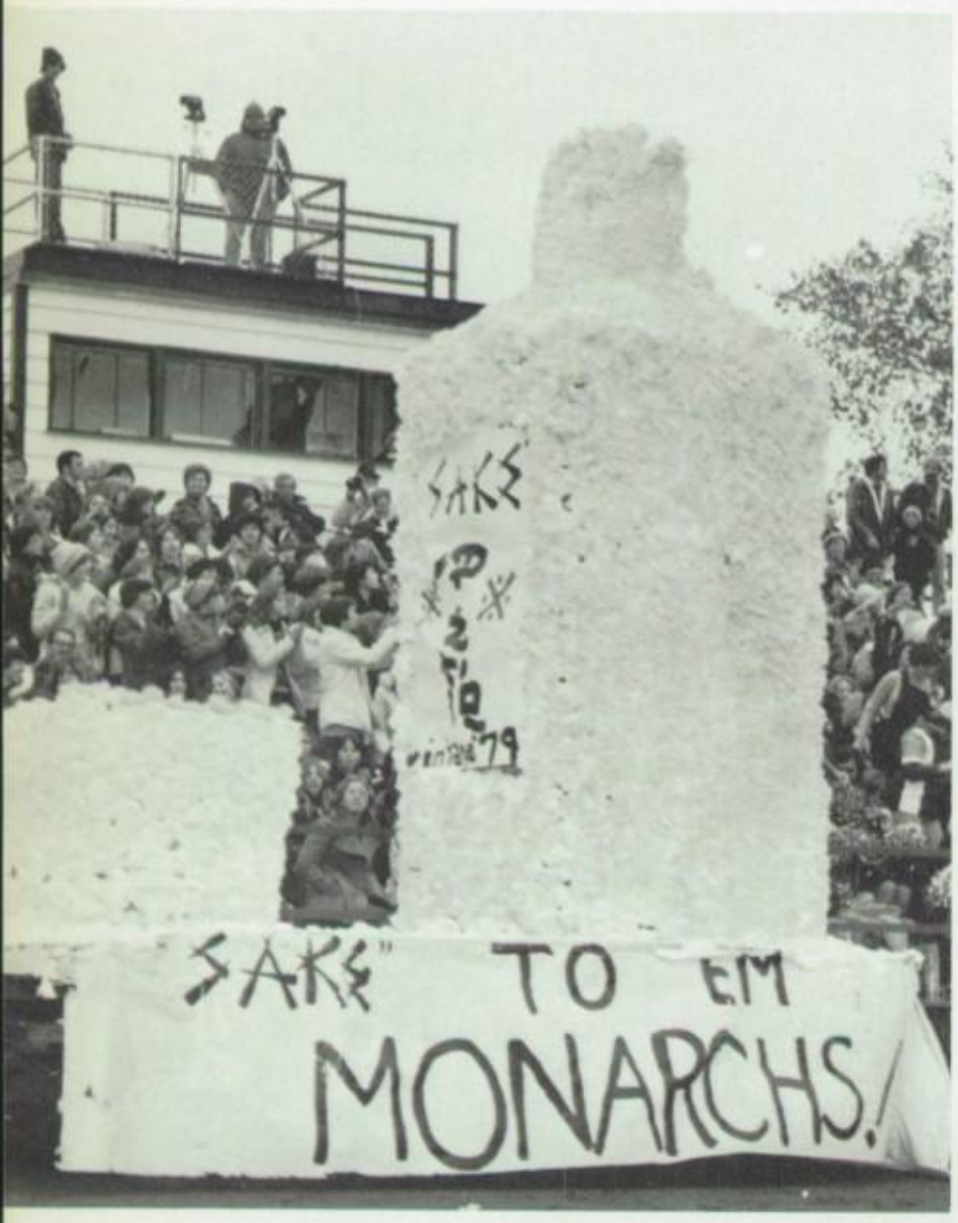
Among all the beautiful girls, the fabulous surroundings, the unbelievable floats, and astonishing football game, TICKER almost went crazy. It proved to be a little too much for a fellow to handle!

The excitement is magnified in these glowing couples.

The Homecoming Dance brings many partners onto the dance floor.

Three months' worth of fluffing flowers, twining with chicken wire, trying to come up with a theme, and all of the usual float meeting routines - are finally made visible in the class floats at the Homecoming Parade. Three months may seem long enough, but any experienced float builder will tell you differently. Usually, it seems, that ¾ of the float is put together the evening before the parade. This year's theme was Oriental and the Frosh emerged victorious - in a Rickshaw.

The Freshman Float was declared winner by the Jaycees.



The Sophomore Float supplied the tonic for a Monarch victory over DePorres.

The Juniors thought this float would win, but it turns out that they were going, going, gone!

Seniors drag 'em on to a victory!

Allen Park Mayor Frank Lada crowns the Queen.

The Monarch supporters finally get treated with something to cheer about.

The Cabrini Drill Team thrills the crowd at half time with their pom-pom act.

Ticker Goes Trick or Treating

The fun and excitement of Halloween is very live in the halls during the fall. This was very evident to those who attended the Halloween Dance. All kinds of spooky and hilarious creatures attended.

Ticker didn't know what to be so he came as HIMSELF! He won for the most original!

Many participants chose to sit down and watch all the other Halloween crazies.

FOOTBALL SUFFERS IN '76

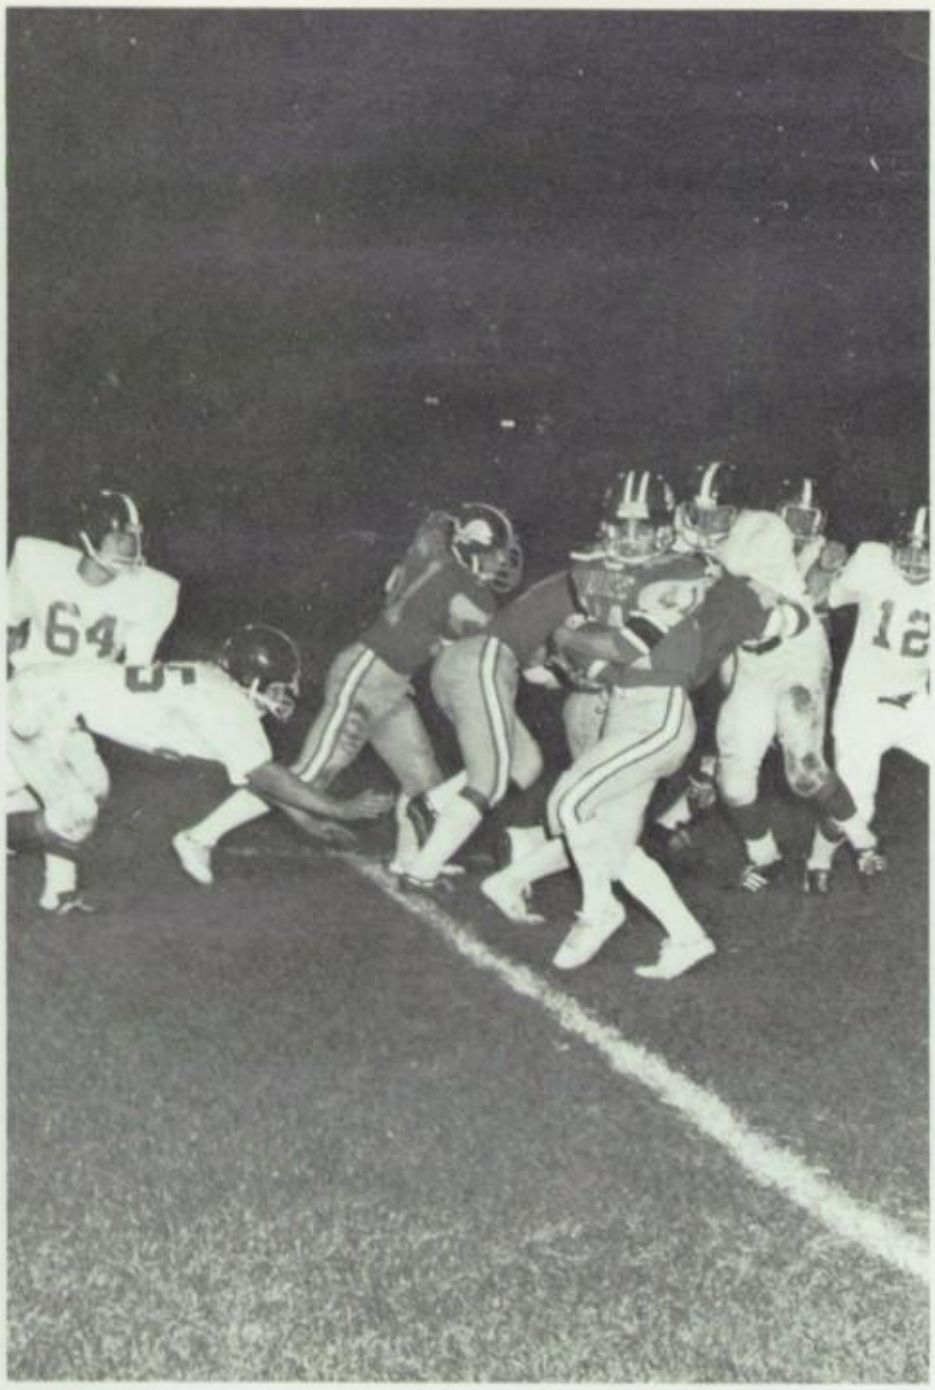
Coach Castmore seems pleased.

Tom Zwolan eludes another tackle.

Zwolan looks for daylight as Krizanic prays that he'll find it.



Mike Miller, the Monarchs' tailback, twists, turns, and scrambles through the opponent's defensive line.

Cabrini's Varsity football team couldn't keep their string of A-West championships alive in 1976, falling to a one and four league record. For the season, the Monarchs were 3-5.

The Monarchs were spirited in most of the games they played; only Waterford, Our Lady of the Lakes, proved too tough for the Monarchs to handle.

Various Monarch team members received honors. Tom Zwolan was declared All-Catholic and All-League, while Tom Zremski and Brian Dunleavy each merited All-League honors. Other players received honorable mentions.

The highlight of the Monarch season had to be on Homecoming Day, when a suddenly aroused and inspired Monarch team upset A-West Champ DePorres, 20-16.

Even though the DePorres upset may have made the season, there is no doubt that this year's campaign was very disappointing for the team as well as many Monarch supporters.

An intent bunch of Monarch players eagerly await the call for action. But, at the extreme right, it seems that Chris Raveschot is thinking of something other than football.

Senior Captain Ron Buchanan always takes a first place!

The season started in early August and ended in early November. The average distance the team ran was 10 miles everyday and on Sundays only 3 miles! All the hard labor payed off with a second place finish in league only missing it by 1 meet!

Captain senior Ron "Buck" Buchanan broke the school record for the 3 mile course leaving it at a beautiful 15:13!! And not far behind was a Sophomore John Henning, with a Sophomore record of 15:45!!

When the team went to the Regionals they took a second and also a second at the Catholic League! Cabrini finished best ever at the State Finals with a seventh position. The CC runners were also invited to 4 other meets - Shrine, Mellus, U of M in Dearborn, and Oakland U. GREAT YEAR!!

Cabrini Students Work . . . For Important Goals — Learning and Achievement

In the center of Allen Park, at 15305 Wick, is located a small building: a high school, with an enrollment of 630 - Cabrini High. These facts may not seem too impressive, but when matched with a goal, they sum up to the purpose of CHS - learning - about classes, each other, love - from experiences, friends, teachers and ourselves. Cabrini means much more than a building. It means students and teachers striving toward an important goal - learning.

Ticker has proof that school isn't just fun and games, especially at report card time!

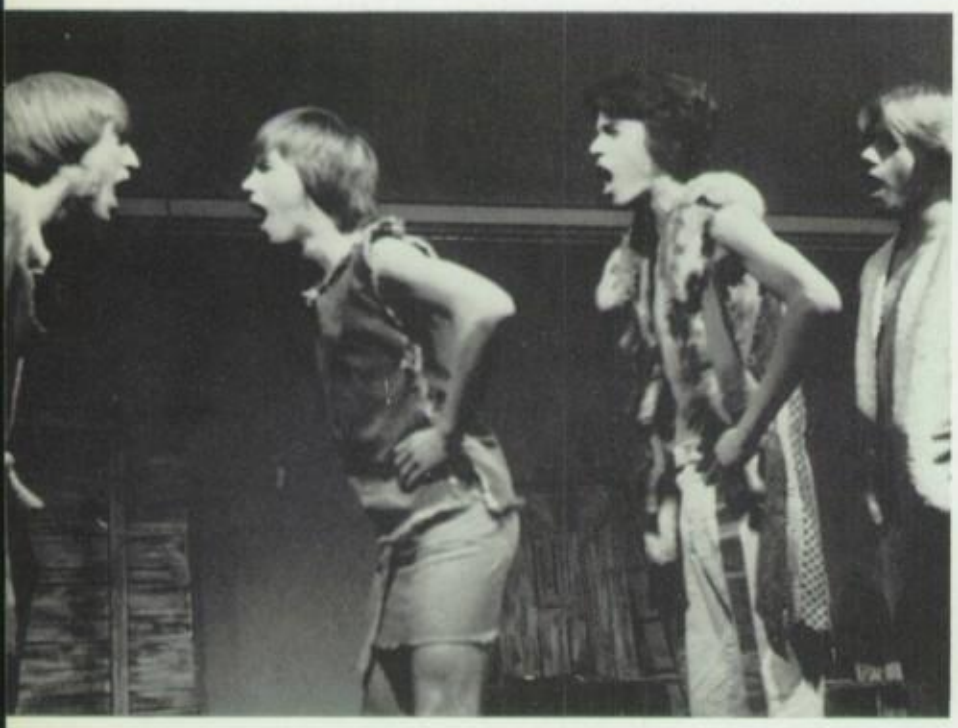
The Players Perform "Two by Two"

In December, the Cabrini Players embarked on a delightful musical voyage with Noah and his family, when they performed "Two by Two." It was the first musical in the Chamber Theatre and for all who saw it, it provided an evening filled with laughs and tears, song and dance. Another Players' success!!

Noah (Mike Moseley) asks Goldie (Nadine Skomski) if she is married while his wife (Michele Szczepanik) looks on.

Noah tells his family of his new found youth and proceeds to get a good kick out of it!



"NO" exclaims Noah. His sons disagree!

White Christmas With Ticker

Christmas time was the best ever this year! Remember the big snowfall and the 2 fabulous days off from school? But in school, halls were decorated with crepe paper, mistletoe, candy canes, and holly. The Sophomore hall won the contest for best decorations. Santa, whose headquarters were in the cafeteria, was busy listening to long Christmas lists from Sister Leonard and the Senior Women. Santa, alias Craig Czajka, loved every minute of it!

Sr. Leonard asks Santa to bring more parents to PTG Meetings.

Santa Claus enjoys listening to "all" the girls' desires.

For Ticker, the best part of Christmas is the Mistletoe!

Valentines are for lovers and candy flowers and sweethearts and SPINSTER DANCES. The annual Spinster Dance was held on February 12, 1977. Couples experienced the Magical Mystery Tour as the gym was beautifully decorated with lyrics, album designs and musical trademarks. Everybody rock-n-rolled and shaked their booties to the music of The Cat, including Ticker, who didn't miss <u>one</u> dance!

The crowd that followed CHS to Grand Rapids.

The Girls' Varsity basketball team once again brought home the League Title and the Class C State Championship back to Allen Park. Cabrini finished with a 23-1 record.

The girls started the season with a perfect 10-0 league record. Next was the City Tournament where, although CHS lost to Mercy, a Class A school, they represented Cabrini by winning the consolation game at the University of Detroit Fieldhouse. Finally, the state tournament began. The girls, having worked hard all year long, advanced through district, regional and quarter final games. Then on December 11, 1976 at East Kentwood High in Grand Rapids, the girls captured the State Championship. The girls, under the strong coaching of Ken Quire, defeated a strong Mason County Scottsville team 48-36. That moment of triumph will remain in Cabrini memory forever. In 1976, Cabrini is #1.

Personal goals were also achieved this year. Ken Quire was selected All Metro Coach of the Year and senior center Janet Goschinski received League, Catholic, All Metro and State Honors.

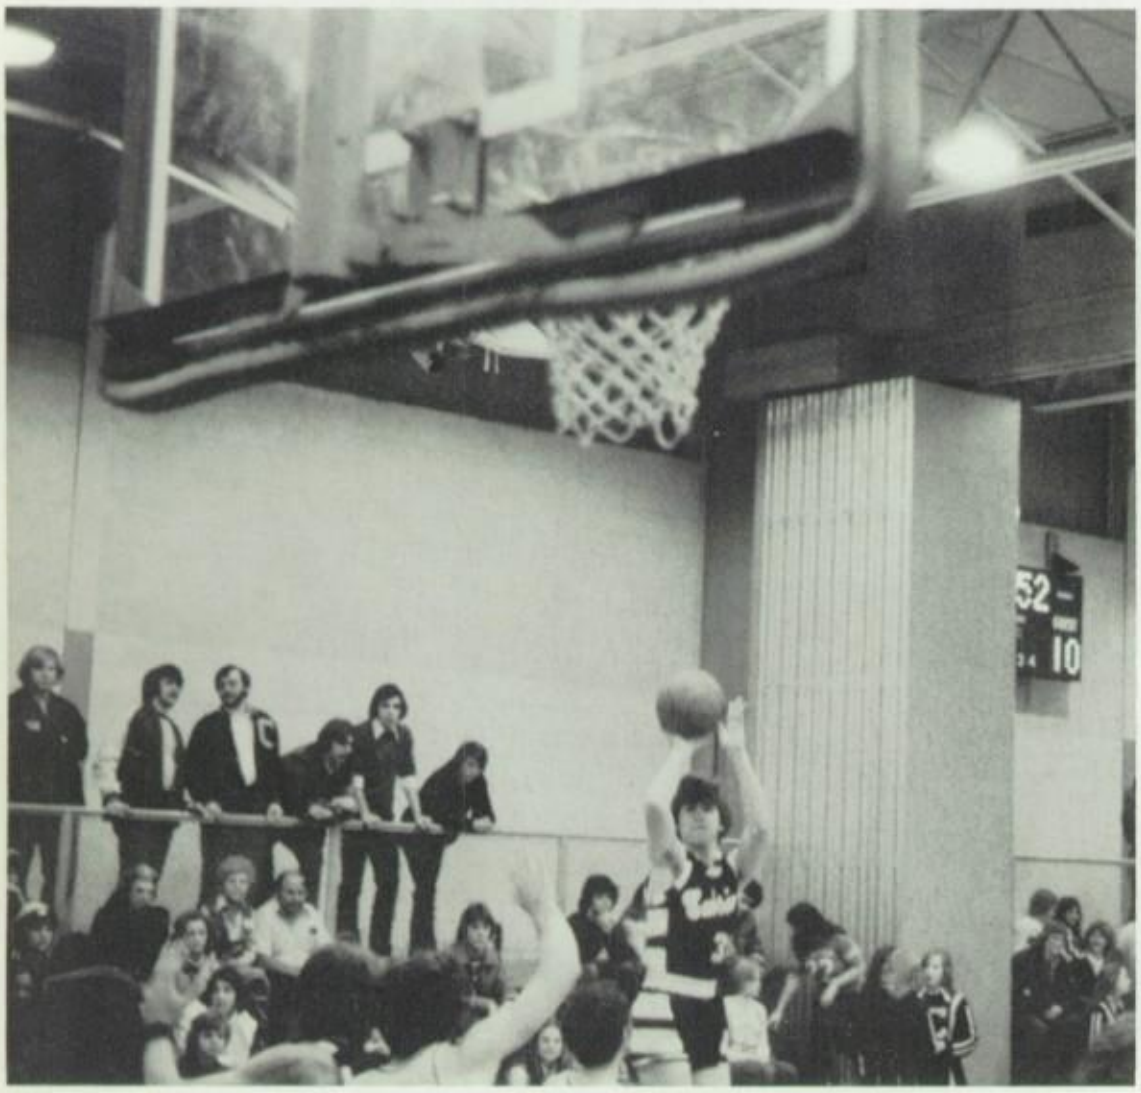
Varsity Basketball Scored Little in '76-'77 Season



A poised Tom Zwolan lets fly the Jumper.

Cabrini's Varsity Basketball Team was very disappointing in the 1976-77 season, compiling only two victories throughout the whole season. Many factors led to the Monarch demise, but their biggest downfall was their lack of height, something Coach Ken Quire couldn't find a cure for.

Leading the Monarchs were Senior Captain Brian Dunleavy, whose deft ball handling kept the Monarchs in a lot of games, and Senior Ken Sullivan, who at 6'2" had to contend opposition centers and forwards that towered over him like the Empire State Building.

Other Seniors on the team were Brian Miller and captain Mike Walsh.

J.V. Has Bright Future: Frosh Cagers Have Potential

A good pick paves the way for this 20 ft. shot.

Looking at the Varsity's plight in '76-77, it's good to know that Coach Archie Klenk's Junior Varsity had a very good season. This provides fans with hope for next year. After most of the J.V. games, the Varsity games proved anti-climactic because of the excitement the J.V.'s provided. Hopefuls for next year's Varsity are: Doug Siemieniak, Tom Scannell, and Bob Maiani.

As for the freshmen, look for improvements as they move on to the J.V. level. Coach Rodrick Gay guided his team to another respectable season, and in the process raised players who will contribute to the J.V.'s next season. Some players who will help are: John Mrzyglod, Tim Malone, and John Bencher.

Doug Siemieniak penetrates inside the lane.

Spring

Age of Aquarius Dawns at the Spring Concert

On May 12, the Chorus presented the Spring Concert with the theme from the musical "HAIR." Selections sung by the group were "Aquarius," "Hair," and "Just You and Me" by Chicago. Other songs sung by individuals included "Send in the Clowns," "The Way We Were," "Do You Know Where You're Going to?," "Rain Dance," "First Time Ever," and "I Honestly Love You."

The evening included a big disappointment, however. The long-awaited solo by the CLAREON's very own TICKER was never heard, due to a case of laryngitis . . . or was it just nerves?

More than 85 couples (including TICKER AND his date CHICKEE) attended the Senior Prom on May 5, 1977. The evening started with scheduled Benediction at 5:30 p.m. Couples made the rounds of punch parties at the homes of Jay Hughes, Janice Wiska, Martha DeLisle and Kathy Schmitt.

Around 8:00 p.m. the entire party began to converge on the Hillcrest Country Club in Mt. Clemens. Music was provided by THE FAMILY PORTRAIT from 9:00 p.m. to 1:00 a.m. Photographers were also on hand to take pictures.

Seniors Honored at Convocations

Awards night has traditionally been held for CHS seniors just before graduation. This year, it was held May 31 in the gym. The seniors were given many honors, awards, and scholarships, and were also addressed by the Salutatorian, Sue Bachleda. The assembly ended with refreshments and a special slide presentation by Mark Byrnes.

Time Present, Time Future . . . and Time Past . . . Seniors Will Remember It All!!

For the class of 1977, graduation seemed like it would never come! But, finally on June 1, 1977 at 7:00 p.m., all 154 seniors proceeded into the assembly to open the Commencement Exercises and an evening of memories. After the procession, the Master of Ceremonies, Dave Gregosky, introduced the evening's speakers. The guest speaker was Fr. Kenneth Untner, and the Valedictory Address was given by Janice Wiska. Also on hand to give words of encouragement and congratulations were Fathers Maino, Puzio, and Dacey, Sr. Mary Leonard. Fr. Dacey and Mr. Weiss presented diplomas - even to Ticker! Following the exercises, the graduates were all invited to an open house party at Mike Miller's. It was a long, exciting night, but certainly fun and unforgettable!

Seniors Lead Young '77 Track Team

A young boys' track team failed to win a meet in 1977, but that can be attributed to inexperience. But individually there were many stars who gained honors. Leading the way were Ron 'Buck' Buchanan and Ken Sullivan, two seniors who were the first people you thought of when you thought of the track team.

But, even though the team won most of their meets in '77, the young underclassmen showed enough potential to be tough for opponents in '78 and '79.

Girls Track Looks Good!!

The 1977 Girls Track Team was coached by Mrs. Deborah Romo and Ms. Barb Mepham (alumnus). Donna Liphardt '79 was captain of the team and Maria Dula was co-captain.

The GTT captain feels that this year was the team's best season. Five girls went to State to compete in four events. Since these girls are not seniors, the hopes for next season run high. Even TICKER decided to join the team . . . if he can.

Ten school records have been broken and only four remain the same. Some of the record achievements are:

Girl's Softball: Twice As Tough

The competition in the softball division turned out to be too tough for the girls. They weren't able to go to the Regionals or even make an appearance at State. Their record was 7 wins and 7 losses. One reason for the slump could have been the fact that there was only one Senior on the team. Sue Scannell has the best batting average.

Other outstanding players were Junior Barb Glynn, the pitcher; Sue Stanko, first baseman; Donna Sullivan, first baseman; and Sophomore Lynette Rauschenberger, the catcher.

Monarchs Still Wait for Better Breaks

With only three and sometimes two starting seniors on the 1977 Varsity Baseball team, prospects were bleak for repeating an A-West Championship. But, led by hard-nosed coaches, including coach Don Oboza, the team again tied for the A-West Championship title.

The men most responsible for the Monarch miracle were senior Tom Zremski and junior Tom Zwolan. Zremski was the RBI leader in '77, which means he was the man who came through with the timely hits resulting in some clutch runs. Zwolan was the ace Monarch hurler as well as a fine hitter. His outstanding play has already earned glances from major league scouts.

IT'S GOOD TO MEET FRIENDS —

"To everything there is a season, and a time to every purpose under the heavens." (Ecc. III). And so we take time and the purpose to introduce some people who share life with us.

Cabrini is a school in the Allen Park community and in St. Frances Cabrini Parish. Some of the people we know best are the co-pastors, priests, and administrators of both parish and school. Come, take time to meet them . . .

. . . *YOURS AND MINE*

Friends, strangers, both imply at least two people, and often more. The place they come together is a place called "community."

There are many so called communities to which we belong. The one considered here is the school community. And like every community there are leaders and those who are led and/or directed into leadership roles. At Cabrini we have all those kinds of people. We want you to get to know them.

Above Left: Sister Mary Leonard is always on top; sometimes busy with paper work and always ready for the unexpected.

These fine ladies are responsible for the welfare of our pizza on Tuesdays.

A smiling Stella Paglialungo yanks out another tray of pizza!

Freshmen Meet First Challenge

The prestigious upperclassmen of the grade school became the lowly, teased underclassmen of the mighty high school.

This is the year that freshmen get most often conned into buying books that are no longer in use, elevator passes for a non-existing elevator, hall passes that at best can get one a jug etc. But despite these and other adventures, high school can become a year or two or more of much excitement and fun as well as a time to study and achieve and possibly win trophies and scholarships.

This year's freshmen started out in a very good group spirit. They have accomplished much together. If they keep that spirit all the way through, they may be one of the best classes at Cabrini . . . ever! That's a challenge - try to meet it Frosh!

Debbie and John receive their first award from Mr. John Berry of the Kiwanis Club.

Sophomore Years Filled With Wonder

Sophomore year is an achievement in itself. We are no longer the "babies" of the school.

The second year of high school is a year of discovery. One discovers that one can be too old and yet too young to explore and to find the answers to the questions or solutions to life's problems.

So many memories were made throughout the year, especially by those who lived their high school years with full participation. These days are lived only once and anyone that is "young and foolish" can store up a full treasury of laughs and experiences that can make remembering a joyous experience.

Along with the good times, Sophomore year was also (and is) a time of serious study. Usually, this is the year students take seven or even eight subjects. Graduation is far off and credits can be earned when one is too young for some activities and old enough to know that good grades will count for college.

And Mr. Ticker says, "If anyone is wise, guess a sophomore should be. Isn't that what "SOPH" means?"

"Hey Don, is she looking? I've got the answer right here," says Greg.

CLASS SONG

Theme From Mahogany
''Do You Know Where You're Going To?''

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Do you get what you're hoping for?
When you look behind you there's no open door.
What are you hoping for, do you know?

Once we were standing still in time,
Chasing the fantasies that filled our minds
And you knew how I loved you but my spirit was free,
Laughing at the questions that you once asked of me.

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Now looking back at all we planned,
We let so many dreams just slip through our hands.
Why must we wait so long before we see how sad
The answers to those questions can be?

Do you know where you're going to?
Do you like the things that life is showing you?
Where are you going to, do you know?

Once We Were Standing

The four years at CHS were fun, but even Ticker agrees that senior year is the best and most unforgettable! Ticker found that being a senior is many different things. It's being at the top . . . doing government court cases . . . never winning best float . . . having your own john . . . open campus . . . first dibs on the juke box . . . feelin' good! . . . Clareon Assemblies . . . weekend retreats . . . skiing at Pine Knob . . . selling fruitcakes . . . class meetings . . . raising $$$ for Prom . . . Sr. Ann's marriage class . . . ordering announcements . . . measuring caps and gowns . . . giving blood . . . rowdy homeroom periods . . . spending Easter in Florida . . . writing out pictures . . . college applications . . . losing the Faculty Game . . . Class picnics . . . PROM . . . Senior Skip Day . . . Mock elections and class elections . . . Convocations and . . . finally . . . GRADUATION!!!

Senior year is dreaming of what lies ahead for us in the future . . . and remembering all of the beautiful memories that we shared together in our four years at CHS.

Ticker and '77 Staff

Downstairs in the unexplored corners of Cabrini, there exists a small room . . . the Yearbook Room. It is set aside to allow a staff of Seniors to produce a Yearbook, otherwise known as the CLAREON, that will sum up all of the fun, meaningful, weird, and important times we've shared during the year.

That small staff of Seniors, with the help of a friend named TICKER, worked hard in the Yearbook Room to give everyone something to preserve their memories in. Yearbooks can be a lot of fun to page through, but only the Yearbook Staff experiences the relief of tensions when the CLAREON is finished, and the book turns out well!

The Yearbook Staff of 1977, TICKER, and Sr. Rosalie Ann thank you, the reader, for your cooperation and support. We hope you enjoy our CLAREON.

THE TRIP

The time has come, I'm going away
I'll miss my friends, I cannot stay
Many memories will stay near me
How can I leave those close to me.

So many things I'll always cherish
The memory of them will never perish
I only wish that there was some way
To make all these things forever stay.

And what of the people I've loved so much
Will any of them want to keep in touch
Or will they simply just fade away
Never to be seen another day.

And what of the place where I'm going to go
With so many people I don't even know
Can it ever be the same way
As this beautiful place where I wish I could stay.

So with my last look, I let out a sigh
A tear hits my cheek as I start to cry
I try to look happy, but I know it's a lie
I hope they say "See you," instead of "Goodbye."

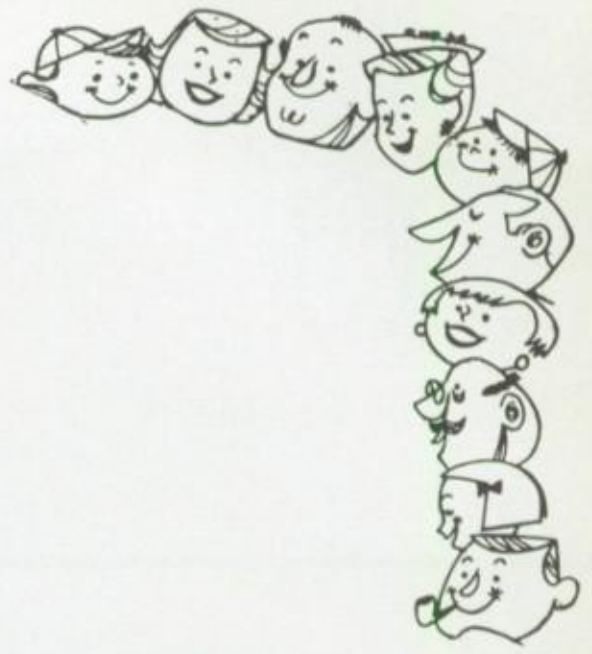
DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow -
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup:
And he learned too late when the night slipped down.
How close he was to the golden crown.

Success is failure turned inside out -
The silver tint of the clouds of doubt.
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit -
It's when things seem worst that you mustn't quit.



Congratulations!

'Now Looking Back at All We Planned . . .'

Happy times and bygone days never depart
But grow more dear from year to year . . .
Treasured in the heart . . .
Emily Gray

Our four years at Cabrini are over. Yet, how do you say goodbye to a part of your life? To the good friends we made, the teachers we met, and all the 'together times' we shared. Times when we won together, and times when we lost, times when we worried together, and times when we celebrated . . . but how do you ever say thanks for a mind full of beautiful memories?

Memories like autumns when all the excitement in the world flashed between two goalposts, pep rallies, our famous towering Frosh pyramid, our float meetings, the winning floats, "Sink Heart", "Monarch Malt Liquor", "Sew Up A Victory", and the fire breathing dragon, homecoming dances, Plain and Fancy, comp classes, frosh welcome dance, elevator passes, study halls (which are no more), "Too Bad Charlie Brown," spinsters, pennies on the floor in Mythology, and paper drives.

And how could we ever forget being the first to get our school rings in junior year, color days (no jeans), going back to freshman hall as juniors, 'hush' buttons, the senior lounge, free days considered acts of God, the new chapel, going down the wrong stairs, picnics at Lower Huron, free flow and open campus, drama plays, Mac's, Cabrin deadlines, signing yearbooks, seniors beeping horns early, assemblies, hayrides, giving blood, senior jons, "Get to the office N-O-W!", Rise and Shine, term papers, Prom, bulletins, caps and gowns . . . and finally GRADUATION!

The better part of one's life
Consists of his friendships . . .
Abraham Lincoln

We've met an assortment of unforgettable characters over the years. There were classmates that we liked right from the start, and those who took a little getting used to. There were all kinds of people in our class, unique in themselves, yet united into one class, one goal, one people. There were certain names and characteristics of certain people that we will never forget, Chuckie, Bubba, Gisch, Hey Mikey, B. K., Smitty, Buck, Mudge, Sharon and Dave, Grease, Bunny of the Year Steve, Suds, Face, Wisky, Edgar Winters, Mar's vantastic, Marty, Wiggles, Ugly, redheads Brian and Eddie, Bo, Jamie, Jim's tutu, Darlene's long-lash eyes, tomatoes Janine and Coleen, Ms. President Sue, handsome Mike, camera bug Mark, petite Denises, Greech, Darlene's bubblegum, shy Theresa and Gloria, Mike's apathy speech, Szo, smiling Dave, Kevin's 5 minute mile, Gary's Charger, Italians' Angelo and Lucia, Monique, singing duo Peggy and Michele, Bugs, Flashy Sue and her retreats, Boulderdash, Sulli, Zink, Panger, Randy's beamer, Kevin's tropical tans, Jane and Kathy's long hair, Heinz ketchup, Sammy, Z, Bear, Ann's pom pom, JoAnn's taps, Queen Michele, Be-bop, Guitar Chris, giggling Julie, Joe's spirit songs, and Melinda's uniform. And what about Graz, daring Margaret, Laurie and Juanita, Kathy Fig Newton, fisherman Phil, happy Marge and Larry, Jay's imitations, Taco, cherry Sue B., Ann's pets, Mary's parties, funny Brian and Rick, Ralph's car, fire chief Karen, Mike's graduation party, artists Kathy and Jeff, fro head Tom, Annie, Ken, Pat, and Debbie, Schreibs, swingin' Rose and Rose, Annette's flowing hair, journalist Peggy, President Dave, David and Mark the great, Danny Lucci, Barns, Stick, Chris' cycle, Orea, Cute Paul, quiet Tim, Paul, and Steve, Gas station Bob, Katerina, Cindy's teeth, sewer Ann, Rosey, Tom K., Page, Decal, Claudette's funny voice (at times), Keith Nugget, Barb and Barb, Maryo, Little Ed, Don, Smack, Nap, hi Nancy, Sueie, Herning, Mary, Joe, Jimmy, Vargo, Master, Kathy M., Janet's hysterical laugh, Marybeth, typist Cathy, Mr. Smith's brother, Lulu, Quinn the Eskimo, and Irishmen, women, Ellen, Bill, Mary, Denise, Pam, Patty, Jim, Pat, Pat.

Looking back we're amazed that so many crazy and colorful things could have happened in just these few years . . . But we're glad they all happened to us, the class of '77! It won't be easy saying good-bye to this school . . . to these friends . . . but we have so much more to learn about the world and about ourself . . . and it's time to get started. We only know that wherever we go, whatever we do, the days we've spent right here will always be a really special part of our lives . . . A TIME TO REMEMBER!

Good-bye Cabrini . . . for now . . .
